Time to say good-bye to all our seniors!

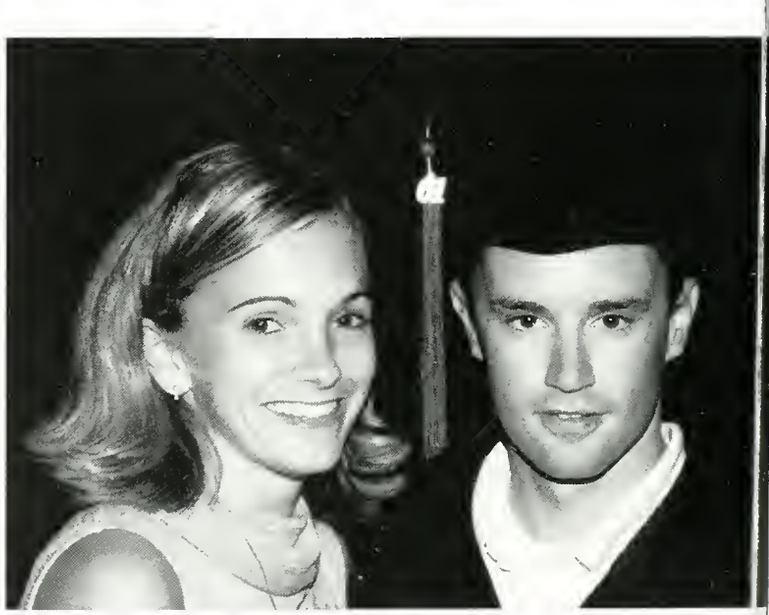
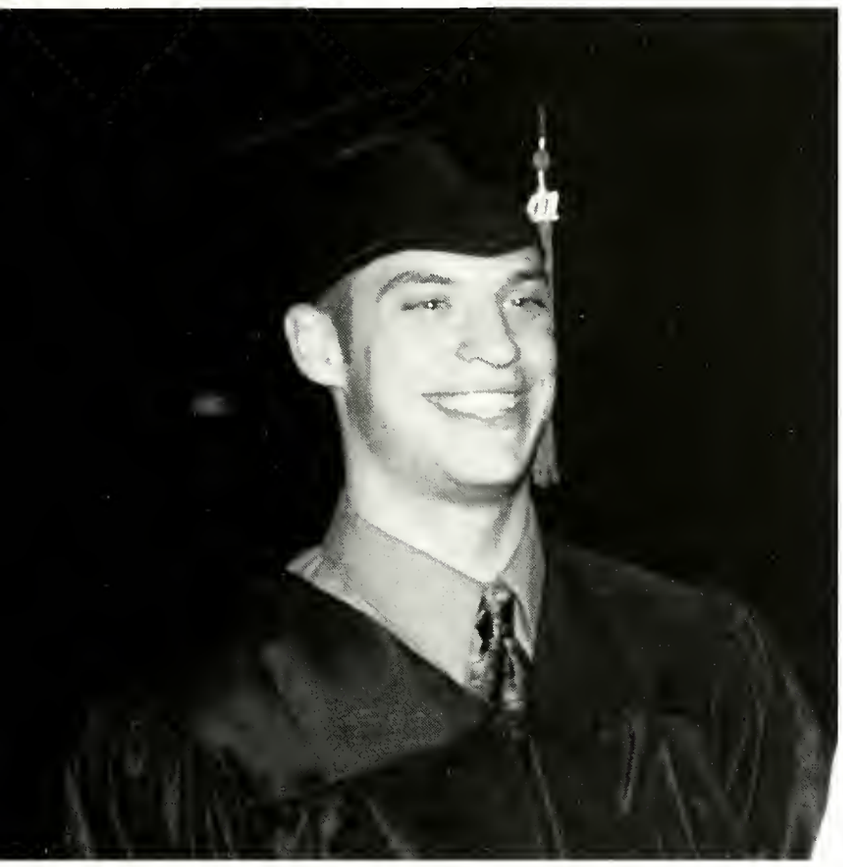
The Ultimate Family Affair!

MARYVILLE





Congratulations to the Class of 2001! We wish you the best of luck in your new endeavors!

Meeting The Challenge

In the fall of 1997, a group of freshman began their journey through Maryville College. They were nervous about the challenges, however, they were excited about their new opportunities.

They were ready for whatever Maryville College had in store for them.

Now, four years later, that same group of students are proud to call themselves seniors. During their time here they have made many new friendships, had many unforgettable experiences, and have grow both mentally and spiritually. This group of students has conquered the long and tedious way to the top. They stand proud in the confidence that they have built for themselves. These stuents are now ready to face the world and all of the challenges, priveleges, and experiences their lives have to offer.

Looking to the Future

In The Third Year ...

In the fall of 1998, the Junior class embarked on their college adventure. Each step they have taken over the years has brought them to their ultimate goal- GRADUATION! This jourey has included times of both triumph and tribulation; each new challenge presenting an opportunity for growth and learning. Maryville College has fostered these opportunities through the tenets of its Covenant: Scholarship, Integrity, and Respect. These values have become an integral part of every aspect of each student's life and will always be with them. Juniorsare looking to the future.

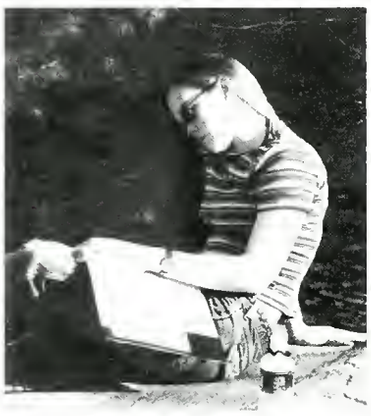
In the Second Year...

Two years ago in 1999, the Sophomore class began their journey at Maryville College. Adjusting to this new lifestyle, Sophomores learned what was required of them to survive their first years. They have discovered the freedom and reponsibility that comes with college. They have learned how to prioritize their time between all of the academic and social activities available to them.

As Sophomores move through their time here at Maryville, they internalize the key elements of the covenant, which lie at theheart of Maryville College's philosophy. These elements are scholoarship, integrity, and respect.

In 2003, the Sophomore class will leave Maryville College behind, and begin the next stage of their journey. As the years pass the philosophy of MC will be adopted by the Class of 2003, and as their next journey arises they will take with them this philosophy.



Sophomore D'Lisa Hopewell looks beautiful as she waits for the Homecoming Parade to begin.

at Maryville College freshmen sign a Covenant. By signing this Covenant the students have agreed to uphold the ideals of the Maryville College Community. The ideals presented within the Covenant are scholarship, integrity, and respect. This year the Class of 2004 has done a great job of following the ideals of this community. The freshman class has brought fresh, new ideas to this campus and will continue to as they grow in the Maryville College Community.

Highland Wrestling Club

The Hightland Wrestling Club became functional in October of 1999. Corey Ekrut, Kenneth Kirby, and David Ruble were the driving force behind this great organization. The club practices in the gym at Maryville High School. Their first event of the season was titled "Midnight Matness," the wrestlers began at midnight on a Friday and continued to wrestle for fourteen hours. The Highlanders have taken on such clubs as Georgia Tech, Kennesaw State, Pensacola Christian College, Tennessee Temple University, and University of Tennessee. The president of the Highlanders stated, "The first year is always rough, but we will perservere." David ensures that the club will become a power house.

The Maryville College Equestrian Team consists of twelve members ranging from freshmen to seniors, and riding at various skill levels. Team members include: Catherine Ashe, Jessica Buckner, Mandy Calkins, Lindsay Craig, Jennifer Hammonds, Nathan Higdon, Cyndi Lyle, Dori Mackay, Leigh Ann McDowell, Sara Moore, Catherine Webb, and PattyWoodruff.

The team competes in eight Intercollegiate Horse Show Association (IHSA) hosre shows per year in which it rides against schools such as UT, UK, Morehead State University, University of the South, and Midway College. It also rides in various local horse shows throughout the year. The team was started in 1995 by Maryville College alumnus Christen Khym, who both coached and rode on the team. Sarah Owen also coaches the team.

The MCET has shown impressive growth in both size and experience since its inception. A major accomplishment was the team's hosting of its first IHSA horse show in March 2001. Team members ride at a privately owned barn located fifteen minutes from campus in Rockford. The team rides horses owned by both coaches and private owners.
